ODORCIDE®

210 CONCENTRATE

PROFESSIONAL GRADE ODOR MANAGEMENT SOLUTION

O odors originating from sweat, mold, urine, smoke, trash and other decaying organic material can be extremely offensive and difficult to eliminate. Managing odor safely and effectively is an important part of any commercial cleaning and restoration operation and can be the measure of success or failure.

Since 1980 Thornell's sole business has been the manufacturing of odor elimination products. The unique chemistry that makes Thornell's products work has been tested, perfected and proven to work. Thornell's products don't mask or cover up odors, they completely and permanently eliminate them. Thornell is the #1 supplier of Complete Odor Management solutions to the U.S. veterinary market – and our family of Odorcide® 210 products have been trusted by professional cleaners around the world.

“ Odorcide is the only odor eliminator in our industry that I give two thumbs up! You really should try it out! ”

– John B; Premium Carpet Care

NOT A MASK, NOT AN ENZYME

Safe & Natural

Product Safety: All Thornell products are safe for use on any surface. As with any product, follow the label directions. Contains water, proprietary essential oil blend and preservatives.

How Does Odorcide® 210 Work?

Thornell products are complex blends that work through several actions:

COUNTERACTION

Termed neutralization when no odor results or reodorization when a milder pleasant odor replaces the malodor. A non-chemical odor phenomenon which combines two odors to get a third that is weaker in intensity. Works through Zwaardemaker pairs (conjugates) – pairs of odorants that neutralize each other's respective odors.

BONDING

Chemical binding (chemisorption) of malodors to Thornell product's molecular surfaces.

ABSORPTION

Physical penetration of the malodor into the inner structure of the Thornell product. Products that work by this method attach to the malodor, which causes it to speed up its normal activity.

INHIBITORS

Controls odors that can be caused by further biological (organic) decomposition.

RESIDUALS

Reactivates after initial application to combat and prevent odors.

Duralast®

All-purpose economical concentrate formulated to eliminate odors found in residential and commercial areas. Includes Pet-Soothe®.

Odors found in carpet, upholstery, and hard surfaces are difficult to eliminate. Odorcide® Duralast® works through a process of counteraction and absorption to safely, but effectively eliminate the malodor. Contains Pet-Soothe® which can help prevent repeat markings by relieving the anxiety of pets. Sold as a concentrate, it can be added directly to carpet cleaning systems, foggers, mop buckets, or cleaning solution. For more serious odors use Odorcide® Original or Fresh Scent. For hard to remove stains use Odorcide® Ox-Erase.

Concentrate
• 128oz (3.79L)

Available in Five Appealing Fragrances:

- Fresh Peach Blossom
- Cool White Linen
- French Lavender Vanilla
- Caribbean Citrus Mist
- Crisp Mountain Air

ORIGINAL
FORMULA

ORIGINAL FORMULA

All purpose formula that permanently eliminates deeply imbedded odors through one-time spot application or use in everyday cleaning procedures.

Serious odors originating from pet/human urine, sweat, mold, mildew, feces and decaying organic material can be extremely offensive and difficult to eliminate. Odorcide® Original works through a unique chemical counteraction process to effectively eliminate foul odors. Safe to use in residential and commercial settings; Odorcide® Original will eliminate odors found in restrooms, homes, schools, locker rooms, hospitals and nursing homes. Sold in concentrate and ready-to-use forms, it can be added directly to carpet cleaning systems, mop buckets, trigger spray bottles, etc.

Concentrate

- 128oz (3.79L)
- 64oz (1.89L)
- 16oz (474ml)

Ready-to-Use

- Spray 32oz (946ml)
- Soaker 16oz (474ml)

FRESH SCENT

The same unique chemistry as Odorcide® Original, with a clean fresh scent.

Serious odors originating from pet/human urine, sweat, mold, feces and decaying organic material can be extremely offensive and difficult to eliminate. Odorcide® works through a process of counteraction and absorption to safely, but effectively, eliminate the malodor while leaving behind a fresh scent. Sold in concentrate and ready-to-use forms, it can be added directly to carpet cleaning systems, mop buckets, trigger spray bottles, etc.

Concentrate

- 128oz (3.79L)
- 64oz (1.89L)
- 16oz (474ml)

Ready-to-Use

- Spray 32oz (946ml)
- Soaker 16oz (474ml)

Ox-Erase™

Uses powerful oxidizers to remove organic stains such as pet urine, blood, coffee, vomit and more.

Stains originating from organic sources can be unsightly and difficult to remove. Ox-Erase uses Odorcide's proven odor elimination technology combined with powerful oxidizers to help eliminate both the stain and odor. It is safe to use on carpets, upholstery, and rugs. Do not use on silk or wool. Sold in Ready-to-Use form, designed for spot treatments.

Ready-to-Use

- 128oz (3.79L)
- Soaker 32oz (946ml)

CIGARETTE SMOKE

Specifically formulated to eliminate cigarette smoke odor from furniture, carpet, walls and upholstery.

Residue and odor from burning tobacco products can accumulate on a variety of building surfaces and materials. Left untreated, these odors can actually intensify and become worse over time. Odorcide® Cigarette Smoke works through a process of counteraction and absorption to safely, but effectively eliminate the odor. Sold as a concentrate, Odorcide® Cigarette Smoke is diluted with water and applied using sprayer and fogger applications.

Concentrate

- 128oz (3.79L)
- 16oz (474ml)

Ready-to-Use

- Spray 32oz (946ml)

MARIJUANA

Specifically formulated to eliminate marijuana odors from furniture, carpet, walls, upholstery, autos and more. Simple, safe and economical.

The odor from marijuana can quickly accumulate on carpet fibers, walls, ceilings and other surfaces. Odorcide® Marijuana works through a process of counteraction and chemical absorption to safely but effectively eliminate the odor. As a concentrate, Odorcide Marijuana can be mixed with water or cleaning agent and applied using spray, fogging or cleaning procedures.

Concentrate

- 128oz (3.79L)
- 16oz (474ml)

FIRE & FLOOD

Specifically formulated to eliminate odors caused by fires or floods. From charred wood to old mildew odors.

Odor caused by fire and flood damage can be difficult to remove because it can affect almost every surface in the building or house. Extensive drying, cleaning and deodorizing are needed in most cases to restore the structure to safe and livable conditions. Odorcide® Fire & Flood works through a process of counteraction and absorption to safely, but effectively eliminate the odor. Sold as a concentrate, Odorcide® Fire & Flood is diluted with water and applied using sprayer and fogger applications.

Concentrate

- 128oz (3.79L)
- 16oz (474ml)

DUMPSTER & CHUTE

Specifically formulated to eliminate odor commonly found in trash dumpsters and trash chutes.

Trash dumpsters, garbage cans and areas around them are frequently the source of complaints due to odor. Situations involving unclean and smelly dumpsters can lead to serious health code violations. Odorcide® Dumpster & Chute works through a process of counteraction and absorption to safely, but effectively eliminate the odor. Sold as a concentrate, the product is diluted with water and applied using a variety of sprayer applications.

Concentrate

- 128oz (3.79L)
- 16oz (474ml)

LAUNDRY

Specifically formulated to eliminate soured and foul laundry odors. Effective for all laundering applications.

Odors in laundry can come from a variety of sources and be extremely difficult to remove. Soured and foul smelling clothing resulting from sports, smoke, work, pets and other musty sources can be safely eliminated using Odorcide® Laundry. Sold as a concentrate, Odorcide® Laundry can be added to the presoak or auto-soak cycle, or directly with the detergent.

Concentrate

- 128oz (3.79L)
- 16oz (474ml)

SKUNK-OFF

Eliminates skunk odor instantly and permanently, on contact, from pets, people, clothes and homes.

Stops skunk odor instantly and permanently on contact. Removes all traces of skunk spray from dogs, other pets, people, clothes, cars, homes – anybody or anything a skunk has sprayed or anything a skunk-sprayed animal has rubbed against. Safe for use on all surfaces – carpet, upholstery and directly on the pet.

Ready-to-Use

- 128oz (3.79L)
- Spray 32oz (946ml)
