Unsmoke Woodcraft™ Restoration Cleaner

Cleans and restores wood and other surfaces. Gel-based product gently removes dirt, soot and odors – can be used on any hard surface including finished wood, metal, plastic, and fiberglass. Economical to use and features a convenient hand-pump dispenser.

FEATURES

- Cleans smoke-damaged finishes on wood surfaces
- Replenishes essential moisture and oils removed by heat.
- Removes soot and smoke and controls odors.
- Gel formulation provides better coverage and dwell time for greater effectiveness.
- Can be used on any hard surface.
