ODORx 9-D-9

General purpose smoke odor counteractant. Specially formulated to manage smoke odors, it detoxifies and knocks down strong odors fast and efficiently.

FEATURES

- Direct contact with contaminated surfaces provides an initial reduction of strong, objectionable odors.
- Detoxifies smoke- and fire-damaged job sites.
- Inhibits the evaporation of toxic fire-related vapors.
- Apply with a compression sprayer or an airless paint sprayer only. Do not use with a fogger.
- May be added to other water-based cleaning solutions to increase their effectiveness.
